

Whats Happening?

Currently, we are in sunny Southern California. We are here through out the month of February and will be going as far North as San Francisco. God has kept our schedule full and continues to build our financial support team. In the last couple weeks we have had 6 different churches reach out and inform us they have taken us on for monthly financial support!

Thank You!

We want you to know that we are very thankful for each and every one of you. Every person that prays, gives or sends an encouraging message is a huge blessing to our family. Your support is felt by our family and we know that without you we would not be on this journey. Let us remind you that God is putting us all together for His purpose of taking the Good News of Jesus to people in Australia. We will be faithful to share the story of Jesus and we thank you for remaining faithful in giving and praying for our family.

Getting Closer

It looks as though we are finally about to enter into a new phase of our visa process. Up to this point in the process it has been lawyers and friends in Australia working on our behalf. The other day those lawyers reached out to me and told me they were ready to receive information from me. We have been told that this is a three step process. Step one is that the church in Australia is approved to sponsor us in. Step two which we are about to enter will be me sharing with them my qualifications to Pastor a church. Step three will be our whole family getting approved to be permanent residents in Australia. This process has already been longer than we anticipated as we figured it would take about 6 months.

As you could imagine we are so ready to be back doing what God has called us to as well as working with the people God has called us to. It gets more and more exciting for us as we hear that things are progressing. I'm sure you can imagine how hard it is when things move slower than you would like for them too. Every night we pray that God would get us back to Canberra quickly, fully funded and ready to lead. Please be praying that this process will play out in God's timing. Ultimately, that is what we want.

Prayer Requests

1. Please continue to pray for our visa situation. It seems that this is a common prayer request these days among missionaries. Countries all over the world are changing their policies when it comes to migration and we have seen the same thing happen in Australia. We are hopeful that our visa process will speed up and that we will be able to receive permanent residency when we are approved.
2. Please pray for health and safety. We travel as a family so that means things are constantly changing for us. Often times we see dramatic changes in climate, sleep and diet. Please pray that God would keep us from sickness as well as safety in our travels.
