Prayer & Praise

It is such a privilege to be busy for the Lord . Thank you for supporting us through the years!

We ran eleven pregnancy tests since our last communication. Seven of these results were negative & four of these results were positive. One of these positive clients is abortion minded. Please pray for her soul and for protection on the little one.

A new client called us to schedule a time for herself to come in & "just talk." She came in looking like she just lost her best friend and she left with a bounce in her step. All The Lord! She is pregnant but not in the best of circumstances. I am so thankful we were here to point her to the Saviour who can and will bring order out of chaos. Please pray we will continue to forge a relationship with her through our Learn & Earn program.

We had the privilege to give out a layette to a Mother of a baby girl.

We had twelve Learn & Earn appointments. One of these appointments was with a client who was referred to us from a previous client from two years ago. We thought this previous client had forgotten us, as we called her multiple times & sent cards. God reminded me through this new client that His Word does not return void!

A man stopped in from Minnesota who asked if he could take our fliers & tracts. He was headed to stand outside Planned Parenthood & pray. He wanted to be able to offer the girls another alternative if the Lord should give him opportunity!

I want to officially announce/welcome our two new volunteers, Jeanne Lessard & Ruth Wanless! They are such an encouragement & blessing! The Lord put them to work right away with new clients.

The Pizza Ranch Fundraiser raised \$1,239.00 & the Walk 4 Life raised \$1,930.50! Thank you to each & everyone that came out to support life, God's creation!

The T-shirt contest winner for our Walk 4 Life was Lyssa Leege! Thank you to all who participated in this contest. I know a lot of thought went into each design. Please start thinking about your design for next year.

One more item to report: Madison Police came in recently, asking if we had a stroller they could take to a young woman who was in a car accident, no fault of her own. Her car was totaled and the stroller in the car at the time was badly damaged. She was using the damaged stroller to get around with her little one, but the police saw that she had a need for a new one. As this stroller was unsafe for the child. I told them yes, they could give her a stroller only if they give her our flier & Learn & Earn program information. They said "Absolutely!" They believe in what we are doing here & have no problem giving her information about us & the Lord! PTL!

Current Needs

- ♦ *Volunteers-We always need those able bodies who are willing to invest their time in others for the cause of Christ.*
