Three weeks ago, we arrived safely back in the Dominican Republic. We appreciate all of you who were praying for our trip! We would like to share several praises and prayer requests from the past few weeks.

Praises

- Our team was very grateful to have the short-term group from Grace Baptist Bible College with us for about ten days. With their help, we were able to put on a teen retreat, as well as a Vacation Bible School for our missionary kids; paint our church building inside and out; and hold a basketball outreach at the house of our teammates, Adam and Jodi Pittman. In addition to all this, they were involved in our weekly church services during their time here. Needless to say, we were very thankful for their willingness to sacrifice their time, energy, and finances to be here to help us.
- We are very thankful for the donations of several individuals and churches toward our outfit-and-passage needs. As a result of their generosity, we have been able to meet our goal! Pray with us as we now look for a replacement vehicle that will meet our needs.

Prayer

- Our “CESP” Bible Club starts back up this coming Saturday, August 24. Please pray for additional contacts and for spiritual growth for the children who faithfully attend.
- We have begun the yearly process to renew our residency here in the DR. Please pray that, Lord willing, this process might go smoothly and we might soon have our renewed residency in hand.
- Continue to pray for our teammates, the Farias, who are currently stateside on furlough. They have begun to schedule meetings; please pray that the Lord would provide additional meetings and support for them over the next year.

Thank you for your continued prayers for us, our teammates, and the ministry here in Puerto Plata, DR!

Looking to Him,
