

## Amanda's Friend Kelly

Thank you for all those that prayed for Amanda's friend Kelly. The Women's Conference went great and Kelly even went and grabbed a Bible for people that accepted Christ. Amanda spent time sharing the plan of salvation with her, but we are not sure that she has truly accepted Christ yet. Amanda did say that her demeanor changed completely from the first night of the conference moving forward, so we are hopeful that Good News of Jesus is taking root in her heart. We were so excited to see her attend church with us that next Sunday. This was the first time she had ever been in a regular church service in her life. Please continue to pray for her and her family.

### Thank You!

Thank you for your prayers and continued financial support for our family. We are so close to finally returning! Thank you for not giving up on us and continuing to remember us in your prayers. We thank God for each of you and our family Loves You!

## Australia Trip Update

As we wrote about in our last letter Ian and Amanda got to take a 2-week trip to Australia. It was such a blessing to be able to spend this time with our church people. We were able to connect with the church and some of our unsaved and unchurched friends. Ian was able to preach twice and Amanda got to take one of her unsaved friends to a Christian woman's conference. Thankfully our trip took place at the exact right time. The day we left Australia the government issued a quarantine for all incoming people. We arrived back in the U.S. just before major problems began occurring at airports and flights were being canceled. Thank you for all those that prayed our trip would go well.

We still have not heard any news on our visa's but as we wait we are preparing for what's next. Ian has been able to put

together several months worth of messages, we are beginning to move funds to the field and have also been looking at houses online, so we can know what to expect when we arrive. We are excited for what is next and ask that you would please continue to pray that our visas come in soon. We know

God's timing is perfect. us through each of you to this point and we know He will continue to be faithful moving forward. We've seen Him work just like this before and we are choosing to not forget His faithfulness in this time of waiting.

### Please Pray

1. Australia is on lockdown. Most people are now working from home. Pray God would get peoples attention through the Covid situation
2. Pray for Kelly Tranent and her families salvation.
3. Please continue to pray for our visa situation.
