

Thank You!

I must say that we have been astounded by God's faithfulness during this time. His faithfulness is seen through each of you! We are so blessed to have such faithful Financial and Prayer supporters. As Covid-19 has hit the economy really hard we were bracing for a financial hit. I want to say thank you for your amazing faithfulness in giving! It means so much to us that in these uncertain times you have made sure that giving to your missionaries is a priority. Your selflessness is inspiring and we will continue to work hard to make sure the Good News of Jesus reaches more and more people around the world. Not only have we seen faithfulness in giving but I have had several people reach out and tell me that they are praying. Thank You! We feel it and it is evident that God has heard you. We are safe and healthy and ready for what's next.

Please Pray

Pray for Northpointe Baptist Church and the decisions that have to be made about moving back to in person meetings.

Pray for the souls of the Australian people. Pray that God would move in their lives and that they will respond to the Gospel.

Covid-19 and Online Church

Since returning from our trip to Australia in mid March we have basically been quarantined. Life has not at all been normal but I can't say it has been a bad thing for our lives. God has been showing His faithfulness and we are definitely being molded and shaped during this time. We have seen God working in the church in Australia in some amazing ways. Ian has been able to be preaching for our church, Northpointe Baptist during the entire quarantine. It has now been 9 weeks and we have seen great things. We have had **5 different people commit their lives to Jesus!** Our church is **reaching double the amount of people** we normally would since we moved online. WOW! How good is God that He could use what looks to be a bad situation for His good? As of right now there are no plans for the church to move offline. In Australia, gatherings are still limited to 20 people and it just isn't feasible as of right now for the church to meet in person. Please pray that for this situation! Many have asked about our visa situation and I sure wish we had some news for you. Unfortunately, the Australian borders are closed and even if our visa's

were in hand we would not be allowed to enter the country. This continues to be a frustrating issue for us. The lawyers we have working on this have reached out to us and informed us that the country is still working on paperwork but not approving any visa's right now. Please pray

that our visa's are approved soon and the we can finally move and be on the ground working with the people God has called us to. We are ready to go whenever we get the call and thankfully God has allowed us to be involved with the church while here in America.

Please Pray for our Visa situation!
