SUMMER 2020 NEWSLETTER

## Center News

### Prayer & Praise

The Lord has given us opportunity to plant & water seeds with 5 new clients. Three of these clients signed up for Learn & Earn, one is coming back for a pregnancy test, (she takes Plan B, the chemical abortion that is purchased over-the-counter, like candy) & the other client wanted STD testing. She is a drug addict & has 4 children ages 10-15. Please pray for these lost souls!

We have completed 13 Learn & Earn appointments. One of these clients has 7 children, she is separated from her husband who is now incarcerated for illegal activity. She came in for birth control. She has been faithful in coming & bringing her mother along. Both women have been a blessing but we can see the Holy Spirit working in Mom.

She is learning Bible truths that she has never heard before. It has been fun to sit back & watch the Holy Spirit work in & through the readings of God's words, The Bible.

A previous Learn & Earn married client came in to receive her layette from us. They just had their first child, a baby boy! It's always so joyful to look at & hold these precious gifts from God.

A young lady came in wanting literature to give to her friend who just had a miscarriage. This lady was grieving the loss of a baby she never had the chance to see or hold. Pray the literature we gave her was read & that the scripture in it would reach this young lady.

The banquet for this year, 2020 is cancelled due to Covid-19. The Board of Directors has concerns about possibly infecting some of our older supporters.

The Baby Bottle Fundraiser that was started on April 1, 2020 has brought in \$3,321.17! Thank you to all our supporters!

The T-shirt contest winner for the Walk 4 Life this year is Steven Salazar! He did an excellent job of portraying a pro life message through his design! However; because the Walk 4 Life was cancelled he has graciously allowed us to use his design next year, Lord willing! Can't wait for you all to see this next spring!

One of our board members, Howard Spaulding, passed away last Friday, August 28th from complications with Covid-19. Please keep this family in your prayers.

Starting March 1, 2020 we are now open Mondays, Tuesdays & Thursdays from 10-4:00. Our neighbors, Dane County Public Health, are open Tuesdays & Thursdays. We want to make sure we are available on those days as many clients have appointments with them & then they can come next door to us for a Learn & Earn appointment instead of coming back because we were not open.

## ***Current Needs***
