Dear Friends and Prayer Partners,

Can we really be closing in on the end of the summer? Time just seems to be moving faster and faster. Thank you for continuing to lift us up in prayer. We know the Lord is moving and working in answer to your prayers. One recent blessing and answer to prayer is this—there are two men who have recently surrendered to come to Bulgaria as missionaries. We understand that they will not arrive here overnight, but it is encouraging to know that the Lord is moving and calling others. The need here is great. Would you continue to pray for the Lord to raise up labourers, not only from the US, but right here in Bulgaria. As I mentioned in our last letter, there are ongoing protests against the government and the corruption that exists in Bulgaria, but the only true and lasting hope is not new government officials, more oversight, independent auditing, etc. The only true and lasting hope is Jesus Christ. What Bulgaria needs is a “Great Awakening.” Would you pray for the Lord to send an outpouring of His Spirit—a revival to Bulgaria.

Thank you for continuing to pray for ‘K’ and ‘I’. This past month we were able to take them, along with their daughter, to a circus here in Sofia. It gave us a good opportunity to just fellowship together with them, which was a blessing. They are still facing some serious struggles, but we know that the Lord is able to heal their home. Grace has been able to get together with ‘I’ several times now. I have tried to get together with ‘K’, but due to his work schedule and some other things going on, it hasn’t worked out yet.

In regards to our translation project for the book “Done”, praise the Lord we are nearing the end of the “translation” part. We have just completed a third round of editing/redaction of the text and now we just have to work on the layout and eventual printing of the book. Lord willing, I will be meeting with our printer next week to look at options, size recommendations, etc. Along with that project, we also just finished a translation of a new Gospel tract that we will be printing. Please pray that the Lord will use these materials to help draw others to Himself.

In closing, please continue to pray for our landlord Peter. He seems to be struggling with some of the same issues that led to his last crisis. He has been open with me and we have had some talks, but while he agrees that the Bible has some good advice for him, he still does not believe that it is God’s Word.

In Christ,

Jeff and Grace Shergalis
